WHEREAS, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the 15 Days to Slow the Spread guidance on March 16, 2020 advising individuals to adopt far-reaching social distancing measures, and avoiding gatherings of more than 10 people; and

WHEREAS, Governor DeSantis issued Executive Order No. 20-68 on March 17, 2020, in partial response to information reflecting individuals were not adhering to the CDC’s social distancing measures and gathering limitations; and

WHEREAS, between March 17, 2020 and the date hereof, Governor DeSantis issued several Executive Orders placing numerous restrictions on individuals and businesses in response to the Statewide level and threat of the COVID-19 virus; and

WHEREAS, President Donald J. Trump updated and extended the previously issued 15 Days to Slow the Spread guidance on March 31, 2020, renamed it 30 Days to Slow the Spread, and along with the White House Coronavirus Task Force urged Americans to continue to adhere to the guidelines and expand community mitigation efforts; and

WHEREAS, the Town of Indialantic (“the Town”) adopted Local Emergency Order

No. 2020-01 declaring a local state of emergency and closing the beaches for the Town regarding the COVID-19 emergency; and

WHEREAS, the foregoing Local Order has been extended several times due to the COVID-19 emergency; and

WHEREAS, as part of the Local Order which the Town Council later ratified, the Town Council authorized the exercise of its authority and powers regarding the COVID-19 emergency to be exercised under the direction of the Mayor or the Deputy Mayor in the absence of the Mayor to the extent necessary to protect the public health, safety and welfare and the best interests of the Town; and

WHEREAS, on April 29, 2020, Governor DeSantis issued Executive Order No. 20-112 as modified by Executive Order No. 20-120 on May 9, 2020, and Executive Order No. 20-123 on May 14, 2020, in response to the recommendations set forth in Phase One of the Plan issued by the Task Force to Re-Open Florida, and adopted a phased approach to remove or decrease certain restrictions imposed pursuant to the Executive Order No. 20-91, Safer-At-Home Order; and

WHEREAS, on June 3, 2020, Governor DeSantis issued Executive Order No. 20-139, moving all counties in Florida, other than Miami-Dade, Broward, and Palm Beach counties, into Phase Two issued by the Task Force to Re-Open Florida, which order supersedes Executive Order No. 20-91, the Safer-At-Home Order, and supersedes in part, and extends and modified, other provisions of Executive Order No. 20-112; and

WHEREAS, guidance released by the CDC on June 15, 2020 states that (i) the COVID-19 virus is mostly spread by respiratory droplets released when people cough, sneeze and talk and (ii) that a person can get COVID-19 by touching a surface or object that has the virus on it and then by touching their mouth, nose or possibly their eyes. This guidance goes on to state that “personal prevention practices (such as staying home when sick, social distancing, wearing a cloth face covering, and handwashing) and environmental prevention practices (such as cleaning and disinfection) are important ways to prevent the spread of COVID-19; and

WHEREAS, the CDC has expressly found that “COVID-19 spreads mainly from person to person through respiratory droplets produced when a person coughs, sneezes or talks. These droplets can land on the mouths or noses of people nearby and possibly inhaled into the lungs. Studies and evidence on infection control report that these droplets usually travel around 6 feet (about “2 arms’ length”); and

WHEREAS, the CDC therefore specifically recommends that as businesses and communities reopen, and people resume their daily activities, people should wear face coverings to slow the spread of COVID-19 particularly in “pubic settings where other social distancing measures are difficult to maintain”; and

WHEREAS, on June 20, 2020, the State of Florida Surgeon General, Scott A. Rivkees, M.D., issued a Public Health Advisory recommending the wearing of face coverings in any setting where social distancing is not possible, except under certain

circumstances; and

WHEREAS, Sections 876.12 through 876.15 of the Florida Statutes, make it unlawful to wear a mask, however, pursuant to Section 876.155, Florida Statutes, this prohibition of mask wearing only applies when there is also evidence that there is an intent to intimidate other people, deprive them equal protection under the law, or engage in criminal conduct; and

WHEREAS, based on the advice of medical professionals, the number of COVID-19 cases will continue to rise unless measures are instituted to stop the spread of the COVID-19 virus; and

WHEREAS, the State of Florida has the highest percentage of population in the United States 65 years of age and older, as well as the second largest population of that demographic; and

WHEREAS, based upon recent updated census estimates, the demographic of residents 65 years of age and older living in the Town of Indialantic is approximately 20%; and

WHEREAS, according the CDC, overall, 31% of cases, 45% of hospitalizations, 53% of ICU admissions, and 80% of deaths associated with COVID-19 were among adults aged 65 years of age and older with the highest percentage of severe outcomes among persons aged 85 years of age and older; and

WHEREAS, on July 7, 2020, the Governor of the State of Florida issued Executive Order No. 20-166, which extends until September 5, 2020, the state of emergency declared by the Governor pursuant to Executive Order No. 20-52; and

WHEREAS, on September 25, 2020, the Governor of the State of Florida issued Executive Order No. 20-244 initiating Phase 3 of the Plan which suspends the collection of fines and penalties enforced upon individuals associated with COVID-19 and allows restaurants to operate at 100% of their indoor capacity;

WHEREAS, the Town acknowledges the COVID-19 virus still poses a threat to the health of its residents and current CDC guidelines recommend the use of a mask, as masks are found to help stop the spread of COVID-19 to others; and

WHEREAS, the Town Council resolves that it is in the best interest of the residents and businesses of the Town of Indialantic, and it is in furtherance of the public health, safety, and welfare, to formally adopt this resolution to encourage the use of face coverings in indoor Town-owned and operated facilities, and to encourage the use of face coverings in all other public settings where social distancing is not possible.
